Vision of position:

The vision for the Treasurer is to manage cash flow. Additionally, the Treasurer will review and oversee invested funds consistent with applicable laws. It is important for the Treasurer to know about who has access to the Chapter's funds, and any outstanding bills or debts owed. The Treasurer will ensure the Chapter's ongoing creditworthiness and oversee the development of the Chapter's financial policies. For example, policies that could be considered include expense reimbursement, credit card usage, check signing authority, and petty cash policies.

A further vision for the Treasurer is to translate financial concepts and information for a chapter members who do not have a financial background or significant financial experience. The Treasurer is to spend time learning the particulars of the Chapter's finances and the applicable laws, which may include laws related to earned income, the unrelated business income tax, appropriate expenditures, and practical investments. The vision of the Treasurer is to facilitate or encourage the chapter's strategic thinking about the financial vitality of the Chapter in relation to its advancement of the Chapter's mission.
